

# Career Services Assignment Week 2 – GitHub Profile Setup

Points possible: 50

| Category     | Criteria   | % of Grade |
|--------------|--|------------|
| Completeness | All requirements of the assignment are complete. | 100        |

**Instructions:** Follow the steps below to set up your GitHub account profile. After watching the video, *Source Control with Git Overview*, you should have already set up a GitHub account for this program. If you have not setup your GitHub account, review the above video in Week 1's curriculum and set your account up before proceeding with this assignment.

1. GitHub should not be thought of as a resume or networking tool as much as it should be a place to showcase your work and code. To that end, having a GitHub profile that is personalized shows potential employers or clients that you care about your work.
2. Now that you are set up with GitHub, let's get your profile page ready to go!
3. First, upload a high-quality headshot to your profile page.
4. Next, update your profile to discuss what you do and what you are learning. You have to think about this one, because GitHub doesn't give you too many characters to accomplish this task.
5. Follow at least three (3) of your classmates, teachers, or any repository of interest to you.
6. Go to one of your repositories and update the **About** section to discuss what the purpose of the assignment is and tag the languages used like below:

7. Finally, add a link to your GitHub profile on your LinkedIn page.

## Attach Screenshots of Your Finished LinkedIn Profile Below

This screenshot shows the GitHub profile of Elyi Pierre. The profile includes a circular profile picture, the name "Elyi Pierre", and the username "Elyipierre". A bio states: "I am currently learning Back End development with Promineo Tech and working on attaining my BS in computer science. ( Java, MySQL & Spring Boot)". The profile shows 2 followers and 13 following, with a location of New York. The "Overview" tab is selected, displaying popular repositories: "Back-End-Development", "PublicTalkScheduler", and "python-engineer". A "10 contributions in the last year" calendar heatmap is shown, with activity concentrated in September. The "Contribution activity" section lists recent commits across three repositories.

A screenshot of a LinkedIn profile page for Elyi Pierre. The profile shows a circular profile picture of a man with a beard and mustache, wearing a dark suit and tie. Below the picture, the name "Elyi Pierre" is displayed, followed by his current position "Sr. BioMed Technical Engineer at Advantech" and location "New York City Metropolitan Area". It also shows "273 connections". There are two buttons: "Open to" and "Add profile section". Below this, a section titled "Open to work" lists "Web Developer, Back End Developer and" with a link to "See all details". At the bottom, an "Analytics" section shows "42 profile views", "11 post impressions", and "6 search appearances". A dark grey overlay menu is open, displaying "Contact Info" with a pencil icon. The menu lists: "Your Profile" with the LinkedIn URL, "Website" with the GitHub URL, "Phone" with the number (347)358-2131 (Mobile), "Email" with elyipierre@icloud.com, and "Birthday" as August 27. The background of the page is slightly blurred.
